

REMARKS

Apparatus **Claims 9 through 37** are pending in this Divisional Application.
Claims 1 - 8 and **Claims 38 - 45** of Group I were canceled on the filing of this Divisional Application because they were elected without traverse for prosecution on the merits in response to a Restriction Requirement, mailed on **21 August 2003**, in the Parent Application Serial No.: **10/053,995**.

Moreover, Non-Elected **Claims 9 - 37** of Group II were withdrawn from consideration in the above mentioned response to the Restriction Requirement.

In the aforementioned Restriction Requirement, **Claims 1 - 8** and **Claims 38 - 45** (Group I) were Elected for examination on the merits without traverse and Non-Elected **Claims 9 - 37** (Group II) were withdrawn from consideration.

AUTHORIZATION TO CHARGE FEES DUE TO THE HP PTO DEPOSIT

ACCOUNT #: 08-2025

Accordingly, Claims **9 through 37**, to an Apparatus, are submitted herewith for examination on the merits in this Divisional Application. Applicant hereby authorizes any fees due to be charged to the HP PTO Deposit Account Number: **08-2025**.

CONCLUSION

Based on the foregoing, the Applicant considers each of the claims presently in this Divisional Application to be distinct over the prior art of record and therefore in condition for allowance. Accordingly, the Applicant respectfully requests that the claims be allowed and the issuance of a Notice of Allowance such that the present application may timely issue as a U.S. patent.

Respectfully submitted,

Michael C. Fischer
